

## DAYTIME CASTING CALL: WOMAN'S SCENE

### CHELSEA

I can't defend Adam's actions.

I can't sit here and justify his  
hiding what he did to Delia.

I can't. I just...I can't.

But I can tell you, that at his  
core, my husband is a good  
man who loves and is loved.

Which is why, in the end, he  
confessed...despite the cost.

Your Honor, what you decide  
doesn't just affect Adam.

It affects all of us who are  
left without him in our lives.

I'm begging you for mercy.  
For Adam...and our family.
