

## DAYTIME CASTING CALL: MEN'S SCENE

BILLY

I was going to wait. But when the moment's right...

BILLY (CONT'D)

I've let you down more times than I can count. And the fear of that – is what kept me from doing this... Until I was firmly reminded of how temporary all this is, and how lucky I am have you, and our kids, and your friendship, and your love, and your indomitable faith in us. I love you, Victoria. Will you open that beautiful heart of yours and let me back in to stay? Will you marry me again?
